Product specification

Manufacturer	QBRICK SYSTEM	Unit	pcs
Colour	black	EAN	5901238256557
Warranty	2 lata		

RED ULTRA HD is a special edition of Qbrick System ONE products made of ultra-durable material that is exceptionally resistant to mechanical damage. The impact tests carried out confirm its extraordinary durability, also in conditions below 0 ° C. A functional container is an integral element of Qbrick box sets. The large capacity and open design allow you to transport items of non-standard dimensions or those that require direct access without the need to open the cover.

Version 2.0 of ONE line products is a new generation of tool boxes and organizers with a reinforced structure. Additional adaptation of the bodies for mounting threaded inserts in size M8 makes it possible to freely personalize the system to the user's needs. The Custom version of this box model is equipped with ten M8 threaded inserts allowing for individual adaptation by the user.

The connector system allows you to create multi-element sets with any Qbrick System One box.
